AFFORDABILITY ASSESSMENT

Financial information required before a payment arrangement can be put to the creditor

Dear Sirs / Madams — we act on behalf of Northfield Credit (Pty) Ltd, the creditor. The company has asked to pay the balance of R 48 215.60 over time. Before a proposal can be put to the creditor, we need the information set out below.

1. WHAT TO SEND US

Send these to us by email. Fill in the proposal below, sign at the foot of this document, and attach the documents to your reply.

1. The company's latest management accounts, or its most recent annual financial statements if management accounts are not available.
2. Bank statements for the company's main account for the last three months.
3. A debtors and creditors age analysis as at the date of this proposal.
4. The name and capacity of the person signing on behalf of the company.

2. THE PROPOSAL

YOUR PROPOSAL	AMOUNT
Amount the company proposes to pay each time	R {{ptp_amount}}
How often it will be paid	{{ptp_frequency}}
The date of the first payment	{{ptp_date}}
Number of instalments proposed	
Any lump sum the company can pay now	R

3. WHAT HAPPENS NEXT

We use this information only to assess the proposal and to put it to the creditor, and we process it in accordance with the Protection of Personal Information Act 4 of 2013. A proposal cannot be considered until the information above has reached us, and the account continues on its normal course in the meantime.

Send the documents to rinda@bredellferreira.co.za, quoting reference RAP-123850. We will revert as soon as the creditor has considered the proposal.

By signing below the company confirms that the information given above is true and complete. This document is not an agreement to accept the proposal and it does not suspend the account.
